

RDL-Linear

Indoor and outdoor linear lighting

Walk-in cooler lighting

Soffit lighting

RDL-Linear light offers a natural white illumination for many different environments.

- Interior – stockrooms, task lighting
- Refrigerated areas – walk-in coolers
- Exterior – soffit, vinyl canopy, accent lighting

In addition, RDL-Linear is easy to install for both new construction and retrofit. The co-extruded plastic housing diffuses the light and protects the luminaire to provide long operating life. This reduces maintenance costs, speeds up payback periods, and increases energy savings.

Specifications:

Part Number	701912
Dimensions L x W x H	45.69 in x 2.25 in x 1.13 in
Lumens per fixture	1500
Nominal color temperature	5000 K
Color Rendering Index (CRI)	75 (nominal)
Estimated product lifetime	50,000 hours (L ₇₀)
Operating temperature	-25° C to +50° C
Protection class	IP65 (IP68 pending)
Power*	17 W (AC)
Efficacy	>125 lm/W (at LED)
Fastening	Mounting clips, 3 included with each unit
Power capacity	6 units per 100 W 24 VDC power supply
Product warranty	5-year limited

* Note: SloanLED lists AC wattage to make estimating energy savings easier
